Dear Mr. Leonard:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

Please amend your report to include the missing information.

-On Schedule B of your report, you have itemized disbursements for which you have failed to include the address. Please amend your report to include the missing information. (11 CFR §104.3(b)(4))

-Commission Regulations define the term "purpose" to mean a brief statement or description of why a disbursement was made. Examples are "dinner expense", "media", "salary", "polling", "travel", "party fees",
